Respected Sir,

SUBJECT LEGAL OWNERSHIP OF SITE No.2(Old No.1) VELMURUGAPURAM III C DIVISION KEMMANGUNDI ROAD BANGALORE CITY

I the undersigned beg to state as follows -

I submit that sites were formed in this locality(Velmurugapuram) when my father late Mr.K.Thangavelu Pillai was councillor and leased to the poor and later on they were sold to the respective lessees at an upset price of Rupee one per square yard as per Municipal Council Resolution dated 25th September 1940 Ever since this colony was formed that the above said site No 2 situated to the west of Sri Subramanya Swami temple was in my father's possession, and after his death, it is in my possession and it is I who have been paying the tax for the same from the last fourteen years till now and it can be verified in Municipal Revenue Office Records.

It is only on 12th January 1941, I received an endorsement No.B3 G 13775 of 40-41 dated 20th December 1940 stating for the payment of land value of the above said site measuring 55 55 sq.yards which was sold as per Municipal council Resolution cited above.Accordingly I paid the full land value of Rs 55-9-0 and obtained a receipt No.17 of Book No.2331 dated 30th Jan'41 and also paid the tax for II half of 40-41

P.T.O.

After the payments were made I submitted an application to the Health Officeron 8-5-'41 along with duplicate plans for the construction of a building on the above said site but hitherto nothing is done in the above matter.

I submitted subsequent reminders to the Municipal President Commissioner, Health Officer,Engineer, Licensing Officer, Revenue Officer but no reply was received to any one of the reminders

If that be the case I came to know that the Municipal Commissioner issued an endorsement on 16-4-'41 No.A6 Dr 167/ 40-41 dated 11-4-'42 to Mr.A.P.Ramachandran, Secretary Noodhana Abiviruthi Sangham, Velmurugapuram, where in stated that the above said site(situated to the west of Sri Subramanya Swai's temple which belongs to me was granted free of cost to the said Sangha instead of the land situated to the east of the temple and the necessary agreement to be executed in the above matter.

I, could not understand that how the Municipal Council doubly resolved to grant my site No 2 situated to the west of Sri Subramanya Sway's temple when I have got the legal right of ownership of the same A sketch showing my site No 2. which is proposed to be granted to the said Sangha is herein enclosed

Owing to the circumstances cited above, I humbly request your goodself to issue the immediate orders to the authorities concerned for the immediate withdrawal of the order issued to the Secretary of Noodhana Abiviruthi Sangha and grant the building license in my site No.2.as per plans submitted by me on 8-5-41 at an early date

Thanking you in anticipation of your favourable orders.

Respected Sir,

I, the undersigned most humbly and respectfully beg to state as follows --

In front of my house i e. east of Sri Subramanya Temple. there is a vacant land and I have submitted an application on 10th March 1941 praying for the grant of this bit of vacant land for an upset price as my present residential quarters is not enough for my big family and further stating that if this land is leased out to any one else, my present house will be blocked from all sides cutting away free passage of air and also the main entrance as my house is bounded on the Eastern side by the Municipal Main Drain, on the Western side by Conservancy Lane, on the Northern side by the house having Municipal door No.41 and facing the said vacant land and on the Southern side Also during the spot inspection by the City Improvement Committee last time I explained my difficulties to them and they seeing my cause was reasonable, cancelled granting this either to me or to the N. A Sangnan On 2nd August 1941 I received an endorsement No. A6-Pet. 5783 of 40-41 to the effect that this vacant land in front of my house will not be granted as it is to be kept open

But, now I understand from the endorsement No A6. Dr 167 of 40-41 dated 13th May 1942 of Mr K T Suryanaravan that the vacant land has been granted to Nudana Abivridhi Sangham

With reference to the above endorsement I beg to submit

once again that I am a big family man consisting of nine children, five of them being girls and most of them are studying I submit that if another building is constructed in the vacant space now seems to have granted to this Sangha, I will be devoid of free air and light and my house will become inhabitable one making it a permanent residence for Darkness and a godown for insects from which arise various kinds of diseases

In this connection I beg to bring to your kind notice a few facts about the said Sangha which is not working on behalf of the 57 nuts and it has no sufficient strength and support by the people Also it is not a registered one In this village there is also another Sangha styled as "Velumurughapuram Youth League" and tomorrow they may also demand for a free site.

So, in the light of the above circumstances, I request you to kindly consider the case in detail and do me the needful by leasing out the land to me for an upset price or by leaving it as a open space Even it would be better if the spot is examined personally before doing anything

Anxiously awaiting for your favourable orders

With reference to your No L 10210 dated 30th April 1942 forwarding a petition received from one Mr K T Suryanarayana, Kemmengundi Road claiming the legal ownership of site No 2 (old No 1) in Velumurugapuram and calling for a report on the points, I have the honour to state that a site measuring 20' x 25' in Velumurugapuram was granted to Noodana Abhiverdhi Sangha, Vide G O No L 7472-74/M1 91-41-24 dated 19th February 1942 and the Sangha was communicated about the grant of the site and that the location of the site was by mistake mentioned to have been situated to the west of Sri Subramanyaswamy temple instead of to the east of the temple as per resolution of the Council (being the correct place) As the site to the west of the said temple happened to belong to the petitioner Mr K T Suryanarayana he complained that his site has been granted to the Sangha This matter has been set right by issuing modified endorsements to both the Sangha and Mr K T Suryanarayana explaining the facts and the Health Officer has also been instructed to issue license to the petitioner Mr Suryararayana

As regards grant of license to the applicant, he had been issued the endorsement asking him for production of title deeds and khathe transfer certificate which he has not done as yet and hence the license has not yet been granted to him
